to the beach access trail from Sea la vie; a quintessential Point Roadknight beach home. This is ideal for the largest of families or multiple families given the 5 bedrooms, 2 bathrooms and multiple living areas on offer. Not to overlook the water view. All within a very short distance to world class beaches.

The upper level open plan living zone leads to the light filled and spacious outdoor entertaining area which is screened by established vegetation; a great space for outdoor dining given the northern orientation. The home is equipped with multiple heating and cooling options along with a slow combustion fireplace for those cosy winter evenings. Given the close proximity to the beach there is the essential outdoor shower and the secure garage; ideal for storing all your beach gear and or use the area for a
