

9 - 11 Federal Street AIREYS INLET VIC

5 2 2

An opportunity for you to be part of history with the Aireys Inlet Lighthouse Keepers Cottages. Built in 1891 and set on 2621sqm (app) the attached cottages are each set on their own title but are essentially one main building. This provides you with 2 kitchens, multiple living areas, 5 bedrooms and 2 bathrooms. The cottages were used to house the Assistant Lighthouse Keepers until 1919 until the Lighthouse was automated. They mostly been used as holiday accommodation ever since. There are very few properties of this type in private hands in Australia so opportunities like this, in such an accessible and popular location, are very rare. The property would be ideal for someone who has an interest in history, a willingness to make some improvements and is looking for a property that could offer a financial return in the future.
