It is hard to know where to stop with the superlatives for La Sirene. Beautiful, graceful and stunning are all appropriate, however it is the sense of welcoming and belonging that you feel within the property that makes it special. Set on an 1802sqm (app) double allotment in Lornes premier street, the substantial 3 level residence enjoys panoramic northern views that are framed by the mature eucalypts that Lorne is famous for. Accommodation is in 4 bedrooms serviced by 4 bathrooms with a separate guest cottage overlooking the pool. There are multiple living areas throughout the house and these include substantial sundecks that enjoy plenty of use due to their north facing aspect. The space within the residence is enhanced by the two level void that captures
