

6 Belton Street ANGLESEA VIC

3  1  1 

Capitalise on this Belton Street beauty.....The solid construction and elevated north facing outlook from this home will appeal to those considering a coastal investment opportunity, those wanting to enter the Anglesea market and those with a creative touch; transform the home into a beach house.

The great attribute of this solid home is the light and spacious living area with polished floorboards. Given the elevation the front porch and lounge room offers a lovely treed aspect towards the 18th green of the Anglesea golf course.

The clever floor plan offers a spacious living area (equipped with a feature gas fire place), the separate kitchen and meals area lead to the rear sun filled backyard. The entertaining/bbq area is ideal for family gatherings.

Type : House
Land Size : 680 sqm
