Phone Michelle to view this newly renovated modern four bedroom, two bathroom home.

Enjoy the bright northern light that fills this open plan single level residence featuring high quality finishes and seamless indoor-outdoor living and entertaining layout. Elevated amongst a beautiful treed outlook other features include a well appointed kitchen with European appliances and stone bench tops. The north facing deck offers privacy and a sunny location to retreat to while the bathroom will impress with a bathtub ideal for relaxing in after a busy day. All bedrooms are carpeted, 3 with built in robes and the master bedroom is complete with ensuite. Large workshop space adjoining the house will accommodate all of your outdoor activity gear and equipment securely. This coastal
