4 3 2

It is very uncommon to be able to obtain a new house in the Fairhaven area without going through the whole design, approval and building process. This stunning, brand new 4BR residence offers exactly that and is ready to enjoy from the day of settlement. Produced by experienced coastal builders who understand what is important in a great beach house. Excellent use of natural light throughout is evident from first entry that pours through large double glazed windows on both levels and provides the residence with a bright optimistic tone. This is complimented by the high ceilings, polished timber floors and timeless coastal colour scheme. Set on a large 1023sqm (app) native allotment with a beautiful view of the Aireys Inlet Lighthouse, especially from the large sundeck and main living area. Features include 2 large open plan
