

2 Purnell Street ANGLESEA VIC

2 2 4

This is sunny and spacious single level living located beach side of the Great Ocean Road and is perfect for anyone who loves a relaxed coastal lifestyle with everything you need just moments away.

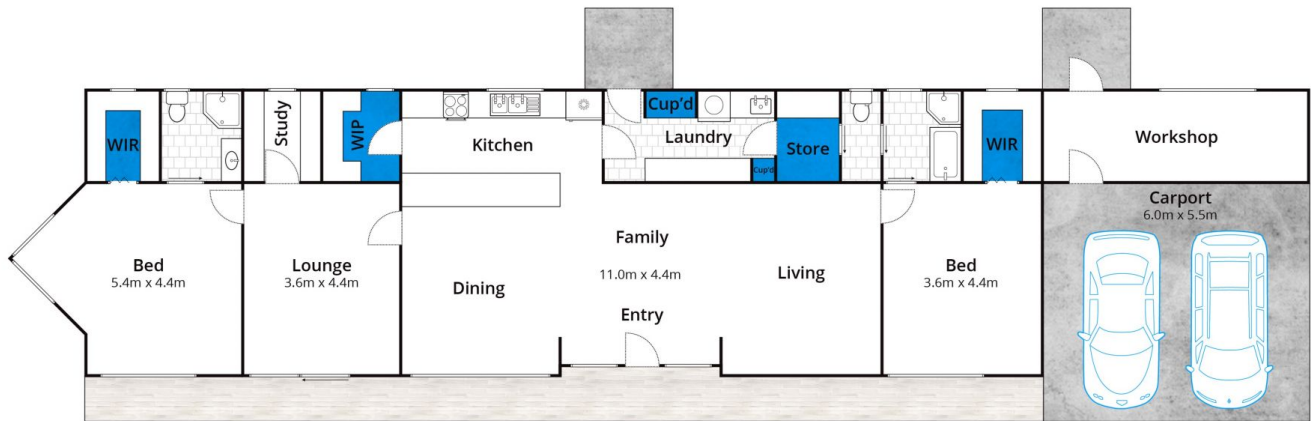

Soaring ceilings and generous glazing have created a light filled and airy open plan living area. This is the central hub and it features an extensive kitchen and effortless flow out to the north-facing courtyard. Both bedrooms enjoy the northerly aspect and have an en-suite and walk-in robe. The master is adjacent to a second living zone and study. There is plenty of scope to easily add a third or fourth bedroom without extending the footprint, with the added benefit of the 1062sqm (app) site offering the opportunity for an extension if required (STCA).
