

25 Kennedys Road WONGARRA VIC

5 2 6

This amazing home was constructed using local timber in 1971.

Local tradesman and local materials combine to give it a wonderful feeling of permanence and security from its perch high above the ocean and overlooking Apollo Bay Harbour.

Set on 2 acres, the three or four bedroom configuration delivers spacious open plan kitchen/dining/living, ensuite master bathroom, built in robes, large main bathroom, separate laundry and many more functional benefits.

But it's the feeling of the balcony running down two sides of the home and the reassurance of abundant water storage, excellent lock up shedding and a double garage that mark this a house to be enjoyed for many generations to come.

Extensive ornamental and fruit bearing plantings complete
