Set on 10 acres (app) and enjoying total privacy from its elevated position, this substantial residence will delight with its views of both the lighthouse and ocean. The single level, 3 BR cedar weatherboard dwelling has a very user friendly layout and wraps around a large, covered courtyard which can be used all year round. The large open plan living, dining and kitchen area takes full advantage of the bush and ocean view and has a separate sunken lounge room that is the perfect space for winter days in front of the open fire. There is a large fully automated jacuzzi at the rear of the residence, perfect for a long soak after a day on the beach.
