With three rustic cabins, surrounded by stunning Mountain Ashes and tree ferns, this rainforest paradise offers buyers the chance to live in the heart of the Otways, to acquire a private holiday escape, or to continue running a lucrative and beloved holiday rental business.

The first and largest cabin has three carpeted bedrooms, a large living area with magnificent polished Tasmanian hardwood floors, a cosy Nectre wood heater, and two verandas looking out over the forest. The updated bathrooms are elegantly tiled: one has a large walk-in shower, toilet and vanity; another is a separate shower room, and there is a separate toilet set alongside a neat laundry. The stainless-steel kitchen has an electric stove, built-in pantry, and good bench space. The second and third cabins are the mirror image of each
